

2. Provide a general description of the mental illness/addiction. *(This should be thorough enough for someone to read it and be able to understand the basic concepts of the mental illness or addiction.)*

5. How does this mental illness/addiction affect a person emotionally?

How does it affect them physically?

How does it affect them socially?

6. Where can someone go to get help in your community for this mental illness/addiction?

- 
- 
- 
- 

7. What are some ways you can help or support someone with this mental illness/addiction?

- 
- 
- 
- 

**Additional Notes/Information**

## Part B

Research an outdoor/wilderness based facility/program that helps treat or support individuals with the mental illness/addiction which you researched above. If you are struggling with this section, feel free to contact our OP coordinator, Lyndsay Segee (ballaghsegl@limestone.on.ca), or the Gould Lake office for ideas.

1. What is the name of the facility or program and what is their website address?
2. What is the demographic they serve?
3. Where is the facility/program located and what type of facilities do they have?
4. What is the mission statement?
5. What are the goals of the facility or program?
  - 
  - 
  - 
  -
6. Describe the programming. (*What do the clients do each day? How long are clients typically at the facility/program? How do the clients interact with the outdoor environment?...*)

**Additional Notes/Information**

*If you can find answers to any of the following questions, please do! Also, feel free to include any additional information that makes this facility or program unique.*

1. What is the cost of entering the facility and who covers this cost?
2. How many staff are at the facility? What roles do they fulfill? What are their qualifications?
