OUTDOOR ESCAPE

An Exciting Week of Outdoor Activities for Grade 5 and 6 Graduates!

Outdoor Escape is a 5-day program designed for **Grade 5 and 6 graduates**. This program will give students the opportunity to grow and learn in an outdoor environment. The goal of Outdoor Escape is to help students prepare for future Gould Lake programs, by providing the opportunity to gain confidence in their skills and abilities and allow them to learn how to work within a team environment.

Campers will have the opportunity to explore Gould Lake's trails, mines, and waters while learning new skills such as fire making, canoeing, kayaking, shelter building, and teamwork. Through hands-on activities, they'll be challenged and motivated to try new things. With the incredible wildlife and meaningful connections they can make at Gould Lake, this camp offers a fun and unique adventure.

Bus transportation is provided to and from Gould Lake each day. All equipment (i.e. canoes, PFD's, lifejackets, paddles) are provided daily as well as hotdogs and smores for the Friday cookout.. Students are required to bring their own personal gear as well as drinking water.
